# District News...

**District Three** held their November meeting at Rossi's Pizza on S. Orange Blossom Trail in Orlando with a mix of racers and solo folks.

Gov. Bill Martin reported that the organizers for the PCA event and the Italian Cars at Daytona were most complimentary to the track and to us for our support of their events. Especially from the PCA group as that event was held under monsoon conditions.

**Late breaking news** .... the HSR Event at Daytona was just successfully completed with workers from CFR's F & C, Pit, Grid and Start specialties.

## **NEXT TO COME:**

November 16-17 - Grand Am Tests

December 3-4 - Audi Club

December 6-7 - Grand Am Tests

January 6-7-8 - Grand Am Tests

To all of you who continue to support these special events at Daytona - a big **THANK YOU!** for representing our region so professionally.

Chuck Lutz reported that Solo's first event at the Orange County Convention Center went well with 130 entries for the weekend. Their last event is November 19-20 in Deland and he is working on developing the 2012 schedule. Jerry Hicks has volunteered to oversee the West Coast solo activities.

## **ANNUAL MEETING**

We hope you've made your reservations for our **Annual Meeting December 9-10-11** hosted by District 8. The location is the **Best Western** on the **Peace River in Punta Gorda**. This is a great weekend to meet and socialize outside of an event. You'll get a chance to ask questions of your Governors, Chiefs and Officers at the General Membership Meeting. Plus, recognize our Regional Champions - Race and Solo as well as our Workers of the Year, Distinguished Service Recipient and Hall of Fame Honorees.

## **2012 EVENTS**

**January Double National** at Sebring will be part of the BF Goodrich Super Tour - the only one in SEDIV. These races will be run on Sunday complete with podium awards and champagne spraying. The Saturday Night Social will be held at the Hall of Fame building inside the 12 Hour paddock.

For our **Regional in February**, the word is out that the Camaro Cup cars from Sweden will participate and will run as the last race group of the day.

**Remember NO MEETING IN DECEMBER for District 3.**

***Happy Holidays and see you in January!***

Fran

## **District Eight**

Only a month away from the CFR year end meeting (December 9-11th); have you made your reservations yet? Decided to volunteer? Checked the house and garage for worthy auction items? Never too late to contact me!

***District 8 will not be holding a meeting in December;*** our next meeting will be January 11<sup>th</sup> 2012 (wow, where did the time go?). Speaking of the new year, head restraints become mandatory for all SCCA racing events. ***Good time to put that on you Christmas list!***

Looking forward to y'all in December. Will miss the **Turkey Trott** (first time in 9 years) but will be spending Thanksgiving in Colorado.

Have a great time if you attend this event as it is one of the most cherished on the schedule.

# SCCA Racing Stories...

**Bob & Beau Borders**

Some of the greatest racing stories ever told revolve around that of the classic tale of a father-son team. Bob Borders and his son Beau are no exception. Having both been crowned champions in their respective series this season, they both look back to reflect on their shared experiences racing in the SCCA.

Bob Borders began his racing career long before his son was born, racing flat track motorcycles and dragsters in the 1960's. In the mid 1970's he switched to Formula Fords, and has competed in various classes within the SCCA ever since. Beau was born in 1976, and attended his first race well before he could walk. As Beau graduated from diapers to big-wheels, Bob graduated from Formula Fords to GT-1 cars. Throughout his early youth Beau spent every day playing in his father's garage, and every other weekend reeking havoc at the race track while his father was clicking off laps. It didn't take long before Beau took an interest in the cars and began wrenching along side his father. By the time Beau was a teenager, Bob had upped his game in SCCA and also began competing in the 24 Hours of Daytona and the 12 Hours of Sebring. He had since moved the family down to Florida, where he could race 12 months out of the year. Before Beau ever attended Junior High School, he had already hopped over the wall for tire changes in the famed Daytona and Sebring endurance races. Being underage, he had to master the art of sneaking past the security guards so he could participate in his father's endeavors.

Beau always had intentions of getting behind the wheel, but those plans were delayed when he decided to move west and pursue a film career in California. Starting as an intern for George Lucas's famed Skywalker Ranch, Beau has spent the past fifteen years honing his craft of Sound Mixing and collaborating on such films as "Titanic", "Lord of the Rings", and more recently, "The Muppets". Of course, the racing bug never really left him. He attended Skip Barber Racing School at Laguna Seca at the age of 20, and spent the next few years scavenging budget conscious deals to run everything from Spec Racer Fords to IT cars and anything else he could get his hands on.

Bob and Beau reunited their racing careers in 2004 when, with the help of Leon DePestel, they constructed

a Mazda GT-1 monster to run along side Bob's Oldsmobile GT-1 machine. They ran together for two seasons, when Beau decided to switch to the ultra-competitive Formula Mazda series. Since then the duo has competed regularly in the Central Florida Region of SCCA. Even though Beau resided in California, he still chose to make the trek all the way to Florida to race near his father. The 2011 season was successful for both drivers with Bob scoring multiple wins and ultimately the GT1 Championship. Beau competed in the Formula Car Challenge, a Pro Series for Formula Mazda's that runs within the SCCA. He missed winning the championship by a mere few points due to his hectic work schedule, but made up for it by becoming this year's ARRC Champion - walking away with the win and a new track record.

Beau and Bob look forward to competing together in the SCCA and beyond. In addition to their solid foundation in both the GT1 and Formula Mazda categories, they are looking to explore another shared car that they can co-drive in endurance races - because as Beau has said time and time again, ***"nothing is cooler than racing with your old man!!"***

**BUSY SCHEDULE: New Worker Perk** - Many Daytona events left to work. In view of Worker costs, the CFR Board of Governors has announced a Mini-Pro Reimbursement for the remaining Daytona events.

Basically, for these specific events, all workers will continue to receive a \$25 gas card for each day worked which has been done in the past – and, starting with the Italian Cars event Workers who stay in a Daytona area motel or campground may be reimbursed up to \$35 a night.

David Macgregor was appointed to administer the program – and will be the initial recipient of completed reimbursement forms. He will verify eligibility with the appropriate Specialty Chiefs, and forward approved reimbursement forms to the CFR Treasurer.

**The Reimbursement forms and program instructions** are posted on the CFR web site. Events include the Audi Club December 3-4, and the Grand Am Test Days December 6-7 and January 6-8. Check it out for full details.

Of course, no rest for the weary. January also features Club events, the Double Nationals at Sebring, followed by the Daytona 24 Hour marathon and the 12 Hour ALMS at Sebring.

Every pair of hands and feet are welcomed enthusiastically.

**FYI: District 5 folks...** in case you wondered, yes, that was me. Guess my cover is blown. *That's my story and I'm sticking to it!*

**VACATION TALES:** We had a cool, sweatshirt wearing time. We were several weeks later than usual so I got to see the leaves changing color - for the first time since I left Darn Yankee country. Though I enjoyed it ... I did not miss what followed, the annual raking of the leaves. A pile of leaves is fun to jump in to, that joy is short lived when you have to rake them up yet one more time.

We had another experience that reminded me of days gone past. I think we've all heard an elementary school teacher say 'when I was your age, I had to walk through 6 feet of snow to get to school ... and it was uphill both ways.' Well, we took a canoe out on the lake and we were paddling against the wind. I was

glad because the return trip back the wind had to be behind our backs. You know like walking up a steep hill ... you'd prefer the up slope first and have it all be downhill later. Well, I'm here to tell you ... after paddling against the wind, the wind shifted so the entire paddle back, we had to battle the current again. It was **'uphill' both ways!** Maybe my antique teacher had a point!

**IT'S THE HOLIDAY SEASON!:** And if you've managed to hold off the present buying, the dreaded 'wrapathon', the decorating and the light installation (and if one light goes out, all the rest DO go out too). Last year, I added a new woe ... forgot to pick up the whole smoked turkey I'd ordered until after Sonny's had closed. Panic ensued and we ended up with sliced turkey from Woody's after spouse made a flying last minute trip to pick it up before it too closed. But the family was all together and that's what was important.

**Between Thanksgiving this month and the holidays in December ...**

The past years have been difficult emotionally and financially as we've faced life's challenges, but the holiday season is a time to count our many blessings and to appreciate the gifts of family, friends, and of course, our CFR family and our passion for the sport of racing. Take a moment to wish well all those who might be battling illness or problems and keep them in your hearts and prayers. We're also grateful for the service men and women who keep our country safe and for their families who support them. Please keep them in your prayers as well. At this time of year, no matter how you celebrate the season, it's a time to join together to strive for Peace on Earth, Good Will to Men. This is our gift and our responsibility. Thanks to all my family both personally and in CFR for all your support over the years. It and you are much appreciated.

**HAPPY HOLIDAYS from the Larsons to all of you!**
