# District News

## **District 1 - Nov 12, 2013**

We had a good meeting with plenty of news and discussion. This included some results from the October event in Sebring.

The HSR event at Daytona is this coming weekend after our meeting. Two weeks later is the Turkey Trot event at Sebring on the long course. And of course our cook out, pot luck dinner social event for that weekend.

Also coming up at Daytona are an Audi club event, and IMSA testing days. And the annual meeting in Orlando will be upon us. So I'm not going to elaborate any further.

There are also expected to be some more safety upgrades being made to the track at Sebring before the next 12 hour race.

I hope you will be attending the annual meeting.

Dave Fredrick

## **District 3**

Governor Bill Martin chaired his final District 3 meeting in November at Rossi's Pizza on S. Orange Blossom Trail in Orlando. There will be no meeting in December and incoming Governor, Robin Ragaglia will take the reins in January. Bill received an ovation from the attendees and many thanks for his years of service as Governor.

By the time you read this, our group of stalwart volunteers will have supported events at Daytona including the always popular HSR. Some great machines usually turn out for this event. Upcoming 'Mini-Pro' action will see Ferrari Club, PCA and Audi activities. We can always use additional bodies so please think about contacting our Flag Chief if you're interested.

Area 3 Director Robin Langlotz reported that Lisa Noble is continuing to serve as Interim President in Topeka. Check with him for any updates on rules changes.

From the Solo side - Chuck Lutz reported 104 entries at Geneva Oct. 27 and 33 in Brooksville,

Nov. 3. We also supported a TRSSS October 26 at Geneva with 32 paid entries - that is fully subscribed plus 2, folks! CFR provides 1 to 1 instructors - a rarity nowadays and each TRSSS entry gets a free family membership to SCCA and an entry to an upcoming Solo event. Next Solo event is at FIRM November 17 - expect 100+ cars. Final event of the year - December 1 at Deland.

The 2014 solo schedule is in the works with an anticipated 20 dates. Next year we will host the 41st Annual Florida State Championships - location yet to be determined.

## **Awards Banquet & Annual Meeting**

Again THANK YOU!! to our generous sponsors and supporters. Please see the listings elsewhere in the Checker and on our web site. Don't forget to say Thanks! to them personally.

## Pictures

**Submitted by Louis Galanos**

The photos are from the 1973 Daytona 24 which was won by a Brumos Porsche 911 RS driven by Peter Gregg and Hurley Haywood. The Gregg-Haywood victory was the first major international victory for a 911-

based Porsche but it would not be the last. Gregg and Haywood would go on to win Sebring six weeks later in a 911, and 911 series cars would dominate sports car racing for a decade.

Howden Ganley drives the Gulf Mirage M6 Ford that captured the pole position. It led going into the first lap of the race but almost immediately began to suffer a variety of mechanical ills. It was a DNF.

Canadian Harry Bytzek with fellow Canadians Rudy Bartling and Bert Kuehne drove this Porsche 908/02 at Daytona. They qualified 5th and finished in 12th position.

The V-12 Matra-Simca MS670 was piloted by Francois Cevert, Jean-Pierre Beltoise and Henri Pescarolo. It led for a time after the Mirages fell behind due to mechanical problems. A blown engine led to their retirement.

Hurley Haywood at the wheel of the Brumos Porsche 911 Carrera RS he and Peter Gregg drove to an overall win at Daytona in 1973.

The Lola T282 of Reine Wisell, Jean-Louis Lafosse (seen in photo) and Hugues de Fierlant. The car retired after 281 laps with ignition problems.

The Reinhold Joest Porsche 908/03 leaving the infield and entering the high banks. The car suffered a variety of problems including a fire during qualifying.

# Rally Times

We have just wrapped up our last event of 2013 in Tampa. I would like to thank those members who took the time to help were and when they could.

This year was a growing year for Rallycross in the amount of drivers and locations. Eighty different drivers competed over the season. It also was a good mixture of new and existing members, as well as new drivers to SCCA.

Every event produced close competition in all 9 classes. Yes 9 Classes! I know that is unheard of in all other SCCA programs.

The biggest addition has been the use of Florida Horse Park in Ocala!! Yes a horse park! At the first event they were having a jumping event and yet they never heard us on the other side of the property!! They even called a couple days after the event to find out when we wanted to come back!!!

A January event in Ocala and a February in St Lucie is being planned. Watch the Region Schedule for updates.

**RECAP:** Once again the weather gods did not smile on us on Saturday of the Daytona SunStroke weekend. The rain started at Registration and played monsoon until almost 10:00 Saturday. First it would let up a bit, then wait until we thought it was over... and then it went into monsoon mode again. Visibility occasionally got down to zero.

Water, water, everywhere to the point that my tennies were still wet when we got home on Sunday. Like every other Vet, I always bring along a second pair of shoes... but I think my toes were becoming webbed. It might be good to use the plastic newspaper wrapper trick for footies if the weather turns ugly. {put them on if the weather shows any signs of drowning - it's easier to put them on while your feet are dry rather than stuff them over prune wrinkled feet.)

**NOTE TO DRIVERS:** before every race, check your transponders. If they aren't hardwired in, check to be sure your batteries are fully charged. For Workers and guests, if you use a scanner, check those batteries too, and always carry a second set.

**For Workers Using Club Radios:** Big Brother is watching you! Every time you key your mike, the radio number shows up on the Comm base station. Used to be, when someone had an open mike, the Chief Communicator had to start the 'hand raising' drill ... if you heard the call and radio check, you raised your hand. - if your hand remained in your pocket, you were IT. Now Big Brother can see your radio number and the offender is detected. Modern technology is wonderful, but in this case it'll rat you out.

**THE TOWER:** Daytona is doing some extensive renovating... which may take as long at 2 years in the making. You have to be escorted by Daytona Security. They'll guide the caravan of incoming and outgoing staffers. This is OK for someone like me who is 'directionally challenged' and who gets lost in a broom closet. However, the route under the grandstand twists and turns and is one which only a dedicated Solo driver could love. The guard with 1 lights flashing leads us on... 'go toward the light! Rule of thumb, as you enter under the grandstand next to Registration, basically no matter where you want to go, you can't get there from where you are to your desired destination.

**BE PREPARED:** for the **CFR Annual meeting in O'town...** sounds like it's going to be an E-ticket all the way. Be sure to respond promptly with signing up and arranging your accommodations. Let's give the District 3 folks a break.

**SPEAK UP / LISTEN AND LEARN:** in SCCA, CFR, and in the Districts. It's a good thing to attend your District's monthly meeting to stay 'in the know.' Every suggestion or comment you have, be sure to check with your Specialty Chief or your Governor to make your wishes known. That's how we grow and make our Region better and stronger. Will your suggestions always be accepted?... no. But you'll have a hand in shaping CFR's future. And don't forget, at the Annual Meeting, there's a general meeting on Saturday morning where you'll get updated and have the opportunity to ask any questions or express any thoughts you might have... you'll learn not only the 'what' but also the 'why' of Club issues and policy.

### FLAG RAVING (cont.)

And it's time to look for your Christmas shirts to wear to Saturday's events. It's the Kiban Cat for me. Wish I could have gotten the one with the cat hugging the top of the tree while said tree is assuming the horizontal position. Putting up a Christmas tree is fun the first time, but over the holidays having to repeat the procedures for the 4th time, after the cat has had its way with it, gets to be a drag.

Thanksgiving is a time to be thankful for all the blessings we've received over the years and for our Family And Friends. Especially this year, remember those in our CFR racing family who are facing struggles, and those who mourn for those we've lost. Keep them in your hearts, thoughts and prayers. Latest word about Pam, who was injured

on Pit Lane, is that her condition continues to improve - this is a blessing we all can share.

**NEXT UP:** Be sure to schedule in the Annual Turkey Trot November 30th and December 1st on the Sebring 12 Hour Course. It's always a fun filled weekend which includes a great Social and Dinner.... all hands on deck!

## Corner Workers Wanted

**Drivers** - Fill that down time by assisting those who work to maintain a fun, safe racing environment!

**Club Members** - Get involved today! Your help is needed to keep CFR the Premier Club Racing Program in the US.
