2015 Publication Deadlines

In an effort to keep the content in **The Checker** as fresh and relevant as possible, a floating deadline will be used typically following Club Racing events. With a set deadline of the 15th of the month (the former system), an event which occurs on the 17th of the month would not be included in the following month's issue, but two months following said event, which would make the coverage a bit dated; hence the reason for a "floating deadline."

The deadlines for submission to **The Checker** for 2015 are as follows:

- June 16, 2015
- July 21, 2015
- August 11, 2015
- September 8, 2015
- September 29, 2015
- October 20, 2015
- December 1, 2015

District Meetings

District 3

District 3 held our May meeting at a new location - **Logan's Roadhouse**, at the corner of Sandlake Rd. and John Young Parkway in Orlando. Attendance was good as was food and service and we have a separate room for the meeting. We'll stay there for awhile.

OOPS!! - We were remiss in not reporting that CFR's Chief of Scrutineering (who also serves as Chief of Scrutineering for Buccaneer Region), **Rick Henschel** was presented with the **Robert W. Clark Award** at the SEDIV meeting. This award is presented annually to a member of SEDIV who has shown the spirit of SCCA in participation, dedication & service in more than one area. **Congratulations Rick!**

Fun at Daytona - The first weekend in May, we held a Regional/Enduro at Daytona. Turned out to be pretty popular with 500 plus entries. There were 139 for the Friday test day, 97 for the Enduro and 283 entries for the Regional races. Just to keep the activity going, PDX and Solo held events there, too. Thirty-two PDX drivers (experienced only, please) had a chance to drive the entire 24 Hr. course - high banks included and 200 Solo participants (about 100 each day) traversed the Kart track. Smiles all around and the spectacular weather didn't hurt a bit!

Sebring School - Word is that the July Drivers' School at Sebring will have a formula car group. This is a 'test' so we need participation. Spread the word!

Robert H. Hayward

Mr. Robert H. Hayward, 83 of Apopka, FL passed away peacefully on Saturday, April 18, 2015. Bob was born December 14, 1931 in Nashua, NH. He was

an Eagle Scout and proudly served in the U.S. Air Force. His doctor said that his heart could no longer keep him going. He was at peace and had some of his family with him at the time of his passing.

Mr. Hayward is survived by his loving wife Joyce Hayward of Apopka; children Steven Hayward, Scott Hayward, Sheldon Hayward, Sean Hayward; step children Bruce Wright, Doris Toarmino, Cathy Saxarese; 14 grandchildren and 18 great grandchildren. Bob was 83 years old and he and Joyce were married for 44 years.

They came from Buffalo, New York to Apopka in May, 1989. During their years in Buffalo, Bob and Joyce formed the Joy Home Sales Company selling mobile homes for many years. Bob eventually became a sales representative for large trucking

In Memoriam **Steve Kearney** Chaplain, Motorsports Ministries

companies, focusing on the sale of semi-trailers.

Bob was an active member of SCCA for 35 years, beginning as an Autocross driver for 20 years with the Western New York Region (WNYR). During that time he served in many capacities and was Regional Executive of the WNYR five times. He became involved at Watkins Glen International Raceway serving on their accident investigation and safety team for more than 10 years. In Florida, Bob found a joy in working pits but after a broken hip, felt he was no longer able to work in a hot area like the pits. He served once as RBC and often as Safety Steward.

Joyce became Chief Registrar when they moved to Florida. She has many years in New York serving in that capacity and it was a natural connection when she saw a note in **The Checker** that there was a need for a Registrar. She served as Chief of Registration for the SE Division and for more than 10 years has been involved in the annual conference for the SEDiv.

We express our condolences to Joyce and all of the family as well as many friends and the SCCA family. Rest in God's Peace, Bob!

Daytona Classic

by Kevin Crain

First club racing event of the year in Daytona saw absolutely perfect weather. Clear skies, upper 70s for highs and a beautiful breeze out of the east. This weekend saw some racing for regional points and others for the Southeast Championship Series. Busy weekend too as many were here from throughout the country getting in some track time in anticipation of the Runoffs coming back to Daytona for the first time in 46 years. Speaking of first times, we also coupled a PDX first with this class being given the opportunity to experience Daytona's high banks for the first time. And since the SOLO group was running the Cart track between Nascar 3 & 4, they also were given the opportunity for a couple of parade laps on the 24 Hour course during Saturday's lunch break. Considering all competitors, there were over 500 racing this weekend.

CFR conducted Friday's test day which clicked off pretty well. While in the turn 7 chicane, I heard the Red Flag call come through the radio late in the morning. I turned around to see a huge plume of black smoke coming up behind me. (Although in the general vicinity, it was not Chuck Dawson working the grill.☺) It was however a car-b-que in turn 3 to which Daytona's fire crew quickly responded and extinguished. All were fine, car not so much.

Saturday morning kicked off right on time with qualifying sessions. Grid was moved off of the truck pad to the northeast where the Turn 1 tunnel entrance is. This is also where the Runoffs Grid will be located so it gave a nice dry run so to speak in preparation.

Poway, California's Michael Lewis drives the #12 Jaguar XKR to GT1 track record of 1:46.428 Saturday on way to Group win; Sunday Lewis trimmed .046 for another new track record of 120.472 MPH.

*Nope, Chuck's not cooking... ☺
East Horseshoe sees first Red Flag on Friday's Test Day.*

Racing began after lunch with a field of 45 IT class competitors. Orlando's Menas Akarjalian turned a best in group lap of 2:15.288 or 94.732 MPH but finished second to Region 3's Willie Phee by .148 seconds in ITS. Rusty Varnadoe won ITR and Todd Buras was victorious in ITA by .054 seconds.

Group 2 consisted of the big bores and saw 30 cars take the track. Region 57's Michael Lewis driving the #12 Jaguar XKR would establish a new track record for GT1 Saturday on his way to a nearly 43 second margin of victory and turnaround on Sunday to shave another partial second off the record.

Group 3 was the Spec Miata group and they brought 60 cars to the green. Selin M. Rollan set a new track record of 2:19.027 or 90.856 MPH but managed just a fourth place finish. Region 32's Blake Clements finished .016 seconds ahead of Miami's Alex Bolanos with the top six finishing with .8 seconds of the leader.

Group 4 saw 40 cars take the green flag and saw several track records fall in this multi-class group. Greg Ira was dominant in EP setting a new track record and best in group lap of 2:04.744 or 71.448 MPH but had mechanical issues late in the session which cost him a group win. Sarasota's Jeffrey Cripe checkered the group by nearly 30 seconds with an EP victory in the #196 BMW E36. Michael Kamalian set a

new GTL record of 2:15.514; Alan Hulse II established a new HP record of 2:20.817 and Orlando's Darren Seltzer set a new mark for B-Spec of 2:33.195.

Saturday finished with a 75 minute Enduro which saw 51 cars take the green. Selin M. Rollan took the win over Preston Pardus by .015 seconds with the top four finishing within 3 seconds after 75 minutes and 26 laps of endurance racing.

Sunday began with 48 cars filling Group 5 including 34 Spec Racer Fords, (14 SRF3 and 20 SRF) and that was just fine with Deland's Kerry Jacobsen who drove the #39 SRF3 to a nearly 7½ second lead at the checker for a group win as well as establishing a new SRF3 track record of 2:09.249 or 98.460 MPH. Daytona Beach's Bud Severino would pace the group's 20 SRFs with a win. Jacobsen would take two group wins with a much tighter .093 second win over Tray Ayres in the afternoon session. Tampa's John Annis would pace the SRF class in the afternoon.

The open-wheelers were in Group 6 and saw 45 entries in the morning session. Apopka's Donald Boughan drove the #57 Van Diemen RF to a FA and group win by .232 seconds over Jacek Mucha, but Mucha would avenge himself in the afternoon with over a 3 second group win over Boughan. Gianpaolo Ciancimino set a new P1 record of 1:51.300 or 115.149 MPH in a Stohr WF-1 which was the best lap in the group, but only completed 8 of the 10 laps run. A P2 record was broken by Sherman Chao also in a Stohr WF-1 of 1:58.279. The afternoon session saw a track record fall in FE by Paul Schneider driving a lap of 1:59.934.

Sunday saw Menas Akarjalian setting a new ITS track record of 2:14.286 or 95.439 on his way to a group 1 win and avenged Saturday's runner-up by finishing ahead of Phee by over a half second.

Group 3, the Spec Miatas, brought 56 cars to the Sunday session. Erik Stearns set a new track record of 2:18.665 or 92.425 MPH but fell off the pace to finish 8th. Alex Bolanos avenged his second place from Saturday driving to a .59 second win over Jeffrey Labounty.

Group 4 returned from Saturday and again set new records. Cripe would pace the group with a

dominant one minute plus margin over the field. Kamalian, Seltzer and Hulse II would shave time off their records set the day before and Alex Bolanos would get in the books with a new T4 time of 2:18.934.

Sunday finished with a second Enduro with 37 entries and saw Jacksonville's Guy Marvin driving an ITS Datsun 240Z and finishing 30 laps in the 75 minute race with over a 57 second margin of victory over the SRF co-driven by Mitch Grant and Hector De La Torriente.

WORKER SCHOOL

by **Hollye Laplante**

Now that I have had some time to recuperate from Workers School weekend, I want to thank everyone for a great weekend.

With 60 attendees, this was a great restart to an annual event.

We had a nice representation from each of the SCCA groups. Thank you all for coming out and giving us another one of your weekends. Your participation during the class and all your questions made this an exciting event.

Thank you to Jim Hooker and Ron Offutt for sharing their knowledge and experience with new and existing corner workers. I hope the other specialties gained additional knowledge that they will be prepared to use during future events.

I want to thank our speakers, Sammi Ronshausen, Dave MacGregor, Darren Gunn, Michael McKee, and Dave Langston for their presentations. They were informative and a welcome break from having to listen to Jim Hooker talk for hours. 😊

The Dawson's and their group deserve a tremendous round of applause for keeping us all fed and watered throughout the entire weekend. As always, they did a fantastic job with their menu. And more importantly – ensured there was coffee first thing in the morning to help get us going. Thank you again.

I am sending a personal thank you to Bonnie McKee and Mary Ann Mullens for helping me at the last minute on Saturday morning putting together additional goodie bags.

Finally, a huge Thank You! to everyone who donated items for the giveaway bags that each attendee received.

1. Scott Leitch of Exsys Tools, Inc. for donating USB car chargers. Be sure to check out their website www.exsys-tool.com.
2. Kevin & Melanie Crain of Osceola Press for donating koozies and notepads. Keep them in mind for all your printing and direct mailing needs.
3. Sammi Marlis-Ronshausen and Bay Cities Bank for donating the ink pens.

Grid Chief Sammi Ronshausen discusses Grid and bunny ears.

Starter Chief Dave MacGregor talks about his control over the drivers.

Chaplain Steve Kearney shared his story of ministry and motorsports.

Membership Chair Darren Gunn takes a few questions.

Medical Director Dave Langston shared knowledge of safety/medical situations.

District 1 Governor Ron Offutt leads hand signaling portion of class.

4. Darren Gunn of Excel Displays for donating the bumper stickers and the Flag Marshals of the World used as the special early registration award.
5. Michael and Bonnie McKee for the stickers and other miscellaneous goodies to round out the bags.

If you missed this year's school, don't worry. You get another chance next year. Keep an eye on the calendar and your email inbox for notices. See you next year!!

IN THE PADDOCK AT SEBRING 1961

Porsche transporter at Sebring in 1961.

Phill Hill getting a lift in the Porsche 718 RS 61 of Roger Penske and Bob Holbert.

The Pete Lovely, Jack Nethercutt Ferrari 250 TR 59 in the paddock. Note no big trailer, tents, etc. The good old days.

Two factory Porsches in the paddock. The #50 was driven by Hans Herrmann and Edgar Barth. The #49 was driven by Jo Bonnier and Dan Gurney. Again, note there are no big vans, tents and expensive equipment that makes racing today very expensive.

The recently deceased Denise McCluggage and Allen Eager finished 10th overall and first in class in this Ferrari 250 GT SWB. Most of her pit crew were volunteers recruited at the track.

These gentlemen drove all the way down from the snowy North, slept in the car and scrounged fruit from nearby groves for nourishment.

Did You Know?

We have a volunteer incentive Program!

Do your friends a favor by inviting them along to participate as a volunteer at any CFR club meeting for **FREE** and, if they enjoy themselves which of course they will, they can become full members for just \$30 for the first year. Even better news - by being their referring member they will get an additional \$15 off! So their first year is just \$15.

SCCA Volunteer Incentive Program reduced membership rates are renewable for second and third years by working at least four (4) days each prior year.

Wait! There is more! YOU can claim a referral discount from national on your renewal for every member you introduce. When inviting a guest it is always a good idea to use the Guest Passes issued in The Checker as this will ease the registration process; please make sure your guest hooks up with the specialty chief at the event or with Darren Gunn, CFR-SCCA Membership, beforehand so we can make their first time as pain free and enjoyable as possible.

For more information please feel free to contact me at any time, contact info on back page. Be safe out there!
