Regional Executive Report

Chuck Dawson

We have just finished another race weekend at Sebring. Car counts were up over last year, which could be showing signs that racing may be turning the corner. Thanks to all the workers and drivers for a wonderful weekend.

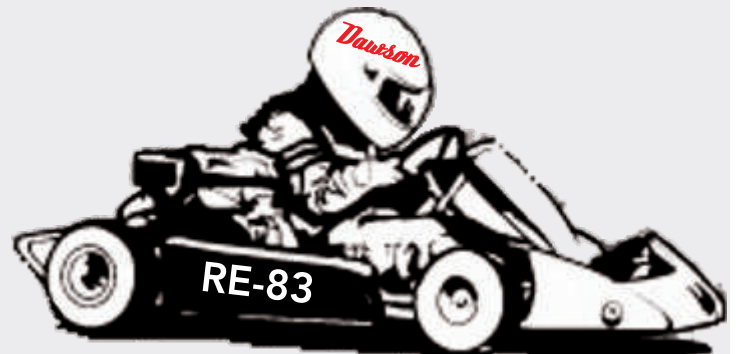

CFR's Solo Program was at Sebring the same weekend with a good group of attendees.

The Annual Meeting is coming up in December. Make your reservations now for the room and festivities. I spoke with Lyn Watts and she said plans are moving ahead. If you are going and can offer some time to help, please give her a call and let her know.

We will be having the usual Turkey Trot Race this month. To save some costs for the club, this year will be a pot luck, bring a plate, or whatever you want to call it meal. I think this

will be a good thing to bring everyone together, and in doing my part, I'm making a batch of "Run-Offs Special" chili. Many have asked for it, but my wife won't let me make it for the masses. It is not for the weak of heart or stomach, so beware, try at your own risk.

SEE YOU AT THE RACES.

District News

District 1

Dave Frederick

On Tuesday November 9, District 1 had its monthly meeting in Clearwater. There were 30 people in attendance.

Updates were given regarding the upcoming Turkey Trot race, and also about some of the plans District 1 members are doing to assist with the annual meeting. The February race at Sebring will be on the long course, but using the green park side paddock and facilities. The dates for the Tropical Endurance Series (TES) are being worked out as to which event will include the Enduro at each of the four tracks.

The dates on their website for the SPGP 2011 state March 25-27. CFR Spec Racer driver John Annis is trying to organize a field of 50 SRF cars to be a support race for the SPGP. If you are a SRF competitor and would be interested in participating, contact John at jannis@tampabay.rr.com. As a worker, I would love to see it happen. What a way to promote club racing to the public, and maybe get some new members signed up!

A workers school is being planned for the first or second weekend in April. Besides newer workers attending, this is an excellent event for drivers, crew and family who may be interested in working an event they are not competing in, to show up and learn about the various worker specialties. Anyone is welcome to attend. You'll learn the basics and what to wear and bring along so you are prepared for on-the-job training during a race weekend.

Several members have asked about returning the May 2011 Daytona race to a national points event.

The Daytona repaving is going well. They have all four layers down on the oval section. They are still working on pit lane, the transitions to and from the road course infield, and we understand the bus stop is going to be done very differently. They also have to reinstall all the catch fence, safer barrier, and lighting poles.

On the budget front, **The Checker** is being revisited for ways to save expenses. One of the options being considered is going to publishing the Checker on a quarterly basis. The Web based version would still be updated on a monthly basis. I would like to see meeting notes being updated on the web version soon after being submitted. It is tricky writing notes about our district meetings, and having to leave stuff out because 4 to 6 weeks later it may no longer be relevant. **The Checker** needs more written material to be submitted by members; articles and stories about your experiences within CFR. There are two costs involved with the Checker. The cost to produce and print it. Then there is the cost to mail it. Many people say a regular Checker is their lifeline. But many others say they read it online anyway. Richard Bittmann proposed an interesting idea, that could be transitioned towards over time. He proposes an opt out for a printed Checker, for those who already view it online as their primary way of getting the information. Just like many banks and utilities ask you now; you may receive your bills and

statements from them over the internet, and they no longer mail you a paper statement. So those who don't really need a printed Checker opt out. Those who still want the actual printed Checker mailed to them, let that choice be known. This is just a suggestion at this point, to be discussed. Do not deluge the Checker editor with your preference. Let your governor know what your wishes are regarding how you read **The Checker**.

There will be no Grand Am race in conjunction with the July 2011 NASCAR race at Daytona. This is a mixed blessing. It is very hard to staff because the hotel room rates are all jacked up excessively high. Also the crowds, parking, and traffic. On the down side, it was an event CFR people worked that got our club cheaper track rental. CFR had nothing to do with this decision. The track and NASCAR made this decision on their own.

District 3

Fran Martin

District Three held its last meeting of 2010 at Rossi's on S. Orange Blossom Trail in Orlando. We will not meet in December due to the Annual Meeting but encourage everyone to attend in Gainesville, December 11-12 for a fun weekend. Check the web for registration information.

Gov. Bill Martin reported that we had 180 entries at the October Spook Spectacular in Sebring. This was the final race for regional points for 2010 and everyone enjoyed some great fall weather and plenty of good competition. Our next event is the Turkey Trot restricted regional at Sebring which kicks off our 2011 regional racing season. We will not hold a sit-down dinner but there will be a covered dish meal to remember Gail Kasson.

Next year, Daytona has Grand Am Testing scheduled for the same weekend as our January Double National. We will be providing corner worker support so if you'd like to participate, please contact Bill Cannons in Daytona.

Contracts with Daytona and Sebring have been submitted with our usual schedule of events. There will be one date change - our Sebring October race will be on October 22-23 - one weekend later than this year. HSR asked if we could move as they needed to hold their event October 15-16 and we were glad to be able to help them. Solo is anticipating holding two events at Daytona in conjunction with our May and September races. We are monitoring the Stark track; however, there has been no development reported by the organizers.

Robin Langlotz reported on the AARC held October 4-7 in Atlanta. The invitation was open to everyone with the restriction that you couldn't drive the same car as you ran in the Runoffs. There were around 276 entries for the 4 day event which included Pro IT, a Regional and an Enduro.

Rose Bartl reported that the Tri States Championships held in Blythesville, Georgia had around 160 entries. Our Brooksville event had 28 cars. The Florida State Championship will be held November 14 in Gainesville with entries currently totaling 45 and our last Solo of 2010 will be held in Deland on November

District News Cont.

28.

Our new Rally Chairman, Doug McCabe is working with Florida Region to develop an AutoX program. He will be visiting a possible site in the Ocala area which already has infrastructure in place.

We wish everyone a safe and happy Holiday Season. See you in 2011!

See you at the Races!

Fran

District 8

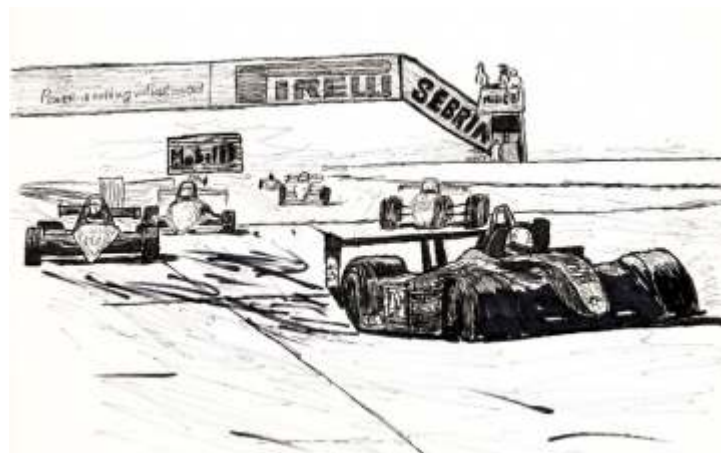

Ron Camacho

Great News...District 8 now has a Lt. Governor! Mary Newman has volunteered to come on board! Mary has executive experience as former president of the local British Car Club along with her present duties as Crew Chief on the Cathouse Racing Vintage car effort.

If you didn't make it to our last meeting, you missed a change in our location. No, we are still meeting at MacDaddy's but our new Lt. Governor Mary Newman got us in the private room. Good for you, Mary! If you haven't made your mind up if you plan to attend our annual meeting please do so. It's always a fun time!

With that in mind; if you finished 1st-2nd-3rd in regional points and will not be attending the awards banquet; let me know and I will make sure that your trophy gets picked up. Drivers: if you have a pair of driving gloves don't throw them out. Get them to me and I will make sure the our workers in Grid/Pit/Flaggers get them. An old pair of driving gloves in good shape are always welcome!

There will be no meeting in December since it falls so close to the year end meeting in Gainesville. If you have something you want brought up at the B.O.G. Meeting and do not plan to attend; let me know and I'll make sure it is discussed. Next meeting will be the 2nd Wednesday of January (01/12). May you all have a wonderful holiday season. See y'all at the double national @ Sebring Jan. 7-9.

Letters to The Checker

I just received the October issue of **The Checker** and wanted to congratulate you on another great issue. The use of color and the fact that photos are pretty much captioned are steps in the right direction. Your idea of featuring member profiles, similar to those in **SportsCar**, is a worthwhile idea.

The real reason for this letter concerns the apparent short-sighted attempt by some of the BOG to reduce the number of printed issues of **The Checker**.

I've been an SCCA/CFR member since 1984 and a District 3 member until 1999 and our relocation to Valdosta, GA.

In the late '80s I was editor of **The Checker** for several years and then Membership Chairman for several more.

The Checker is the showcase to our members and potential members as to who we are and what we do. It's an important part of the membership experience and an extremely important part of membership recruitment. Changing to a primarily on-line newsletter effectively short-circuits the region's exposure. You certainly have my support in maintaining the printed version.

You may have already thought of this -- it would be interesting to find other regions close to our size -- and see what format is used for their publications. My gut feeling is "all print".

I'll be sending a letter with my thoughts to the RE and the BOG.

Good luck.

Bob Raffaele

Dear Editor,

Many of you may have heard, some of you may not be aware, that CFR lost a dear friend in the passing of John Schnedl on October 8th.

John's voice was the comforting and recognizable voice of Control for many years. He and his wife Jo were fixtures at many races and behind the scenes. John set the standard for protocol. You did not use terms like "Rolling", or "Fire (the engine)" while on the net. He was tall in stature and in ideals.

Jo was right by his side, both at races, and in life. John and Jo became friends of ours when we were active in CFR, and that friendship lasted through the years. Jim and Wanda Sleeth have also been close friends, and corner workers knew who was in the tower when they heard Wanda, Weyman, or John over the net. They all three had very distinctive voices! We are already missing John, but realize his life was dedicated to the glory of God, and that was his strength in his closing days. He said he was "transferring his membership to Heaven", and for those of us who knew him, knew this was true.

Judy and Weyman Davis

Havana, Florida

Flag Ravings

by Sally Larson

ABBREVIATED COLUMN: October was Short on News but delightfully Long on Leisure. We escaped the blistering heat by taking a couple of weeks of vacation at our favorite spot ...High Falls State Park in Georgia. Warm days and 'need a blanket' nights were most welcome, as was peace and quiet.

Our only incident occurred the first night we were there. It was raining, straight down. We heard the crack of something hitting the top of our motor home but just figured it was a pine cone. Well, if it was a pine cone, it was the grand daddy of all pine cones and if it was a squirrel jumping down, the squirrel had to be morbidly obese. It broke through one of our roof vents. That necessitated a hike to the handy dandy Dollar General store to purchase a roll of duct tape. Memo to self.... never leave home without a roll in your tool kit.

UPDATE: The BOG decided to continue giving out gas cards for the October and November races. As a cost cutting measure, the post race Thanksgiving dinner will be replaced by the usual Social with snacks and drinks. I'm thinking that will be good for the waistline - two Turkey Day dinners is a lot to work off. Of course, if you try to win the snack eating award, that might defeat the purpose.

CFR ANNUAL MEETING December 10-12: Word to the wise, get your hotel reservations in early if you have not done so already. Sacking out in the lobby because all rooms have been reserved is frowned upon by the management. Be sure to use the CFR Online Group Reservations site listed on the registration form in **The Checker**. The same goes for your meeting reservations (information at the bottom of the same page). Early registration will save you money and will also help the District #4 folks in their event planning.

REMINDER: For all Workers, Drivers and Members, take a minute once a year to check your medical information on file with CFR and update as necessary. If you become ill or injured, it is essential for any care givers to know your medical history and current medication list to provide the proper care. Don't rely on your memory ... these days with all the generic drugs, you can't even pronounce them, much less spell them. In fact, it's a good idea to put the information on a card and tuck it into your track bag to carry with you. Remember the rule, if you're prepared for the worst, nothing bad will happen to you. It's like carrying an umbrella will keep it from raining.

We're looking forward to the Turkey Trot and seeing you at the Annual Meeting in Gainesville!

Tech It Out!

by Rick Henschel, CFR Chief of Tech

The 2010 season is winding down and the Spooktacular at Sebring is behind us. Thanks to everyone who was able to attend. We had almost 200 racers and about 45 classes in seven race groups.

We do however, have a concern in tech. If you are fortunate enough to be in impound after your race, you will be weighed. The GCR says that the scales at the event are the official scales for the event. It goes on to say that if all four wheels cannot be weighed simultaneously, the driver must be weighed separate from the car. Please bring your crew or family to tech with you and share the experience with them.

Please don't expect the tech crew to push your car. From event to event the number of people that we have varies and we have several other things that also need our attention. If all the classes are populated we may have as many as 35 or 40 cars. The tech crew can't and shouldn't push them all.

Also, you know that you'll be asked to get out of the car at Sebring. Both the twelve hour side and the green park side require it. Be ready. Exit your car in a timely manner. We have had the 30 minute time expire and we are still weighing cars. Be considerate of the other racers. Your attention to this will really make things go smoother and quicker.

Martini Racing Team Daytona 1971

2011 SAARC Spook-tacular at Sebring

Photos by Bill Martin

Matt Webb had to spend some time in the Black Flag barrel.

Charles Wicht with his GT1 boomer.

Dan Moon brought his beautiful Saker all the way from Freemont, MI.

Bill Minnear finished well on both days.

Ed Diehl had his Mazda humming only to be struck down by the DNF demon.

The event saw the debut of Morriss Holiday's new SPO Porsche 911.

2011 SAARC Spook-tacular at Sebring

Photos by Bill Martin

I'll Bet Charlie Brown Is Missing His Pumpkin

Mike Guenther makes a move on the outside of Turn 1.

Close racing in Turn 1, David McCauley & John Cawley.

Gregory Nelson on his way to 3rd place.

Charlie Lowrance and Mary Katharine in a battle of ITAs.

Finishing in the Top 10, both Donald Langley and Allan Boshell.

Competition Cars

1969 Lotus Europa Vintage Project. 1550 engine, 4 speed trans, open rear. Car reportedly in good condition when rebuild started. No manifolds or carbs, gear reduction starter. Good stock seats, dash, instruments, steering wheel, glass, lights and bumpers. Chassis rebuilt (body off): New coilovers, front/rear sway bars, Brembo rotors, rear drums incomplete (planned discs). Body stripped down to fiberglass. Paint originally mid range Lotus blue, pan under fuel tank and engine lid need minor glass work. Intended to be Vintage car but good enough to restore. Factory service and parts manuals. Clear title. Will throw in 4 American Libre 5.5 wheels in excellent condition. \$3,200. Also have Vintage '64 Sprite rolling chassis with many goodies possible for sale. "Andy" or Bob. 305-872-0430 (2)

1974 Formula Super Vee Royale RP-18 #3 Solo car. LINK = <http://drive.to/TeamFRD> See photos and 2008 results for autocross videos. VW Type IV (Porsche 914) engine taken apart in February 2010. Needs rebuilt and assembled. \$4500 near Jacksonville FL David 904-215-8862 (2)

SpecMiata 1990 Miata race team ready to go. Car is complete and ready to go, just

needs new seat belts and an annual. The car has a lot of new parts including carbon fiber air intake, wires, hydraulics etc. With the Miata goes an extra set of wheels and tires, spare parts, extra race seat, 10' X 10' pop up, etc. \$9500. Call Wally or Bill at (941)366-6261 (1)

1971 Datsun 240Z Racecar Built as an ITS car in 1997, currently campaigned in Solo2. Street legal and vintage ready. Full cage, AutoMeter, Koni, Eibach, Fuel Safe, Panasports, recent blue paint, spares, trailer available. \$10,000 near Daytona Beach. Contact Peter at (386) 316-8023 or email pgagne@cfl.rr.com. (1)

Caracal C Formula V For Sale FV# 30 Regional engine, short box 1.22 third gear. Penske rear shock, carbo tech front brakes, egt, new fuel cell 2008, 5 spare tires, set of rains, Amb transponder, current SCCA tech. Comes with trailer and 10/20 canopy. Race ready package. \$5,500 Call Ray Burford 239-458-5483 (1)

Tow Vehicles
