4th Annual Old Fart Racers' Reunion

The 4th Annual Old Fart Racers' Reunion to be held Saturday at the Turkey Trot, November 26th, during lunch break. If you raced in the 1900's you are in this group.

Look for the Old Fart sign in the paddock and we'll see you there for bench racing, t-shirts and refreshments. Bring any memorabilia you might have to share.

Call Van McDonald with any questions. 941-729-3545

2016 Publication Deadlines

In an effort to keep the content in **The Checker** as fresh and relevant as possible, a floating deadline will be used typically following Club Racing events. With a set deadline of the 15th of the month (the former system), an event which occurs on the 17th of the month would not be included in the following month's issue, but two months following said event, which would make the coverage a bit dated; hence the reason for a "floating deadline."

The deadlines for submission to **The Checker** for 2016 are as follows:

- November 29, 2016
- December 13, 2016

District News

District 3 - The October meeting for District 3 was held at Logan's Roadhouse with a smaller than usual contingent of members in attendance. We welcomed Paul Corvi, a visiting member who works in Tech.

Governor Robin Ragaglia shared the sad news of the untimely passing of our RE, Chuck Dawson. We raised a glass to his memory and to his many years of service to CFR. His family, Carla, Chas, Liz and Stacey are in our thoughts during this time. We understand that there are plans for a memorial at the January Majors event at Sebring.

Our November Turkey Trots event will include a memorial for Norman "Grumpy" Esau who passed away in August and we will celebrate the marriage of Miki Moerwald and Tom Sterrett.

As of this writing, there are 141 cars registered for the CFR Championship weekend at Sebring. The track is hosting several activities so we will not have access to the Green Park paddock until 5 PM Friday. A drag race event and a car show are being held for which tickets are being sold. CFR members should use the entry gate in front of the Sebring office rather than go thru the main gate. Our Solo event for this weekend will be held on Sunday only.

Hurricane Matthew forced the cancellation of the SIC at Roebing Road. The SIC will not be re-scheduled for 2016.

Several of our members attended the 2016 Runoffs event held at Mid-Ohio. Jim Zirkle assisted Charlie Leonard with Paddock Marshall duties. Reports were that the weather was good and the 'eats' even better. Next year, 2017 Runoffs will be at.....INDY!

Our Annual Meeting will be hosted by District 9, December 9-11 in Bradenton at the Courtyard Marriott. Gov. Robin encouraged everyone to consider attending. The General Membership meeting on Saturday morning is your forum and a chance for you to ask questions and exchange views with the officers of your club.

By the way - ALL OUR WORKER SPECIALTIES NEED HELP!!!

***Not driving??? Come out and volunteer

***Driving??? Lend a hand between races

***Bored, Tired of Housework, Yardwork or "Honey-Do's"??? Join us at an event.

We have a wide variety of specialties so you're sure to find a good fit and you can't beat the camaraderie!

DON'T BE SHY!! Contact Darren Gunn at darren@raceygraphics.com or message him on FB at CFR - Central Florida Region with any questions.

As always - check the web, DLB or with your Chiefs for the most up to date information.

See you at the races!

Fran

District 5 - Monday, 10 October 2016

We opened with a moment of silence and remembrance for our Regional Executive Chuck Dawson who had passed on from his battle with cancer.

Hurricane Matthew - To all our members in District 5 and elsewhere inside and outside of Florida that may have been affected by Hurricane Matthew our thoughts are with you. We all agreed Monday night that we would be having a different type of meeting had the storm been closer to shore in our area.

Street Survival School - Saturday, 17 Sep., we held a successful Tire Rack Street Survival School (TRSSS) at DIS. We had a full class of students in some really amazing cars. Who knew kids would show up in a brand new BMW M4 or M3 or how about a Porsche Cayman S. One instructor said they had a tough time getting the Michelin Super Sport tires to let go so the student could learn car control. Another instructor got the student in the M3 to spin with the traction control "on." And yours truly lit up when my student told me that she was relaying what she was learning

District News

to her training in volleyball. As she had to look and make quick judgements as to where to put the ball from the net.

We have been told that we should be able to hold another event for this school during the first weekend of March 2017 at DIS. So far there isn't a Club Race that weekend so we are looking for more volunteers for coaching students.

RallyCross - CFR RallyCross site is on blogspot.com and it looks Fabulous! They also use dlbracing.com as their registration page. Please send some RallyCross stories to share at angela.carlascio@gmail.com.

Solo - On 17 Sep. we held our Points Event #15 at DIS with 159 drivers and the event went off without a hitch! Drivers had 4 runs each to take on the paved kart track with the only cones being those on the outer edges of the rumble strips. They also got to enjoy watching the Club Racers take on the Rolex 24 Hour course.

Then it was over to Brooksville on 2 Oct. for Points Event #16 with 41 drivers taking on 6 runs each. It was a great "DRY" day compared to our last event there.

Next up is Sebring on 16 Oct followed by Deland in Nov. Please note that Brooksville on 30 Oct. has been cancelled due to AG Expo taking place at the event site.

2016 Solo Nationals Protest Update - The protest is over, the dry runs being thrown out was overruled, and all runs taken counted. The jackets and trophies have been awarded. Nothing more on what will be happening in STX as of yet. Members that I have spoken to are thinking that there will be a proposal for the class.

Club Racing - Daytona was very active from 17 – 18 Sep. with the Regional Races/TES & ECR Enduro. I haven't received the numbers but will announce them as soon as I do. It was said that my Lt. Gov. Jerry has taught his padawan Mark a bit too well as they were bump drafting each other when Mark was suddenly gone from his sight, leaving him to play by

himself. Nice work Jerry! Good job Mark!

A special thank you to all the Club Racers who logistically found their way around the TRSSS students. The students were thrilled to see so many race cars. An unexpected treat for them for sure!

Sebring 15 – 16 Oct. for the CFR Championship Weekend on the short course. Good luck to all competitors!

Mid-Ohio SCCA Runoffs - Talk about some great coverage of the SCCA Runoffs at Mid-Ohio. I was able to stream on my htcio Droid while at home in Chicago. We had several competitors from our CFR region do very well and our very own District 5 member Randy Pobst as a commentator for the races.

As one could imagine the event had its own set of protests to include a member losing his membership (which may be under appeal at this time) due to their actions on track.

Have a story from the runoffs to share? Email me at angela.carlascio@gmail.com.

What is a District Meeting Like? Well I do my best to keep the information flowing and I really enjoy when many of the chairs and race participants share their information as well. We are laid back, laughing, and having fun. And of course have our serious moments as well. It seems we have had a few to many of those lately as we have been remembering those who have passed or events that surround us. So I try to end each meeting on a fun note. This month's closing question was, "What was your Hurricane Matthew drink (alcoholic or non) of choice?" There was a lot of responses for rum and one that had to break into their stash of IPA. I know a lot of District 5 is very spread out so to our members south of the Melbourne area if you would like to hold a meeting please contact me so we can arrange one. My email is angela.carlascio@gmail.com.

Daytona International Speedway • Points Event # 15

While the Central Florida Region does not have a standing test-n-tune course per se, the Daytona International Speedway “Kart” course can be considered one. The reason: we basically run one of three patterns really. Clockwise or counter and with the straight away dragstrip type start/finish or with the kink at the start/finish. Due to it being a go-kart course there isn't enough pavement to build an element really of any type safely on the course. So any cones are put on the outside edge of the rumble strip. Too far over, two seconds are yours. Then again if you are really too far over and put two wheels off on the grass you are DNF (off course).

So if you want to see how you did this year compared to the year that we ran the same course whether as a practice or points day, simply find a video of the course, click on to cfrsolo2.com and look for the “Results” information in the left hand column and click on that year, find the event and walah – compare away!

Not having cones as the course does not lower the entry numbers one bit. In fact we see a large number of entries as we had 159 drivers with each driver receiving 4 runs each. That's impressive, especially for a day that does not finish after 5pm. What may grab even more attention than that is that we had 32 Novice entries with #4 NS Joe Thompson taking the win with a very impressive time of 45.693 in a 97 BMW M3.

The pull may be the fact that there is no “reading” of the cones here to build the “Racing Line.” The grass tells you how far you can go and the tire walls will tell definitely let you know that you've gone too far in your efforts to be fast. This mini road course gives a taste of what it might be like to be out on the

Rolex and NASCAR track that surrounds us but at much lower speeds. Settled between NASCAR 3 and 4 we watch the SCCA Club Racers climb the incline of the wall as they bump and draft to pass. For not having cones, it does have a lot to offer and we thank DIS and the Club Racers for having us out. I can't imagine how many of the participants send out texts, tweets, and post that they are racing at Daytona in the infield with another race going on around them and how many of their readers are wishing they could be there with them. For me it's my younger sister in Chicago who is jealous every time I am there.

For future events check out www.cfrsolo2.com and remember to follow us on Facebook on our Central Florida Region SCCA Solo page! For all the photo action check out www.turtlesharkshooter.com.
